USACD CUSTOMER ASSURANCE PRESENTS

Technical Training Series for 2008- 2009

We are pleased to announce a new series of technical training classes designed as a review for the experienced service technician and an introduction for the entry level technician. The class includes a binder of training materials. Students will a final exam will receive a certificate of completion. The cost of the class is \$275.00 per student and **qualifies for 30 hours of NATE continuing education credit.** Class times will be from 6:00 pm to 9:00 pm **DOES NOT** include a meal. Classes are being taught by Bruce Neilson in Industry and Mike Welsh in San Diego.

Receive a \$5.00 discount per student when registering multiple students 2 weeks in advance.
